**“THE LORD MAKES FIRM THE STEPS OF THE ONE WHO DELIGHTS IN HIM; THOUGH HE MAY STUMBLE, HE WILL NOT FALL, FOR THE LORD UPHOLDS HIM WITH HIS HAND.” PSALM 37:23,24**

## OUR VISION

Brothers and sisters in Christ,

● We thank the Lord who gave us the vision to expand the ministry from the Middle East to reach the Near East, then Africa, the Far East, and beyond, to countries and languages numbering in billions, waiting in thirst for God's salvation. This vision focuses mainly on the countries within the 10/40 window. These countries are under the control of paganism, satanic cults, and authoritarian regimes. It is now the hour to rise and work together more diligently than ever before, to reach these countries; before the day comes and we stand accountable before the throne of Christ to be asked about these Nations

Please keep us in your powerful prayers for the expansion of evangelism so that every step that we may take is according to the will and guidance of the Holy Spirit. We trust in the promise that says, **“I am the Lord your God, who teaches you what is best for you, who directs you in the way you should go” Isaiah 48:17**

Your servant in Christ

**THE HARVEST IS PLENTIFUL THE LABORERS FEW**

**I KNOW YOUR DEEDS. SEE, I HAVE PLACED BEFORE YOU AN OPEN DOOR THAT NO ONE CAN SHUT. (REVELATION 3:8)**

The Lord has called ABN to Africa, to reach about 40 countries in the centre and South of Africa, also in different languages including English, French, Portuguese and Spanish and other local languages. At least 90 percent of the population in this region have not received the gospel of salvation yet! Nations that are still living under physical and spiritual poverty and are waiting for someone to cross to them and deliver to them hope. Soon and by faith, the broadcast will begin on the first of November, through a local channel and on the satellite: **ABS3 at 3° West Africa Frequency 11168 horizontal**

ABN invites you, dear reader, to join us in prayers, that all wars against this work and that every move from the enemy to be stopped and destroyed in the name of Jesus.

# NEW TECHNOLOGIES AND NETWORKS UNDER THE UMBRELLA OF THE INTERNATIONAL ARAMAIC BROADCASTING NETWORK:

"But thanks be to God, who in Christ always leads us in triumphal procession" 2 Corinthians 2:14

**WE THANK THE LORD FOR NOW HAVING FIVE INTERNATIONAL NETWORKS:**

1

## ABN Radio Podcast Network

This network is new, global, and hosts our programs in more than 16 different languages. We thank the Lord for within only two weeks of starting this work; it was analysed that 60% of the users are from India.

Working through this network makes our programs available on the broadest scale, which means that these programs can be obtained through the most significant possible number of platforms. These platforms include Apple Podcasts, Google Podcasts, Google Music, Spotify, Audible, Spreaker, JioSaavn, Podchaser, Acast, Castbox, Amazon Music and many more! We now have 20 platforms where our podcast files are available. We are blessed that in only one month, many countries like India, Pakistan, Egypt, Morocco, Philippines, Sweden, Turkey, Germany, England, America, Holland, and Hungary have downloaded and listened to our programs through these platforms.

## ABN TV Streaming Channels Network

This network covers channels in several languages such as Persian, Turkish, Hindi, Kurdish, Sureth, and Afghani in its two dialects (Pashto and Dari). We are encouraged by the doors that the Lord has opened, and we have already begun to see the fruits of this work that we planted with faith.

This network is made of three websites:

- 1- The first website is [www.1040discipleship.com](http://www.1040discipleship.com), which includes an extensive series of recorded discipleship episodes, each episode is 10 minutes long, and parts of this series can be found on our discipleship YouTube channels as well as on Rumble
- 2- The second website is [WWW.ABNGLOBALreap.com](http://WWW.ABNGLOBALreap.com), This website offers free online discipleship lessons. The course is in the form of a book that is made of eighteen attached books. Upon completing the study, the student can take an exam and obtain a free approved certificate of completion.
- 3- The third website has more than 40 articles with important topics about discipleship

## ABN Satellites Network

This network is critical and has a significant effect. Some of its distinct characteristics are:

- Satellites are considered the only way by which transmission reaches most families and viewers in the Middle East, Far East, and Near East, and that is due to lousy Internet networks in these countries in general.
- Satellites are NOT subject to authoritarian governments or regimes that practice religious persecution and prevent Christian channels from reaching people in these countries
- These satellites cover vast areas of the globe
- Satellites do not cost the viewer any monthly costs or additional financial burdens as they do not depend on Internet networks and do not need any other devices besides televisions. Therefore, they are ideal for Asian and African families.

Come and be a part of God's amazing economy, come and enter the circle of investment for the benefit of God's kingdom. Sow the seed of love for the Lord as you pray that the Lord will use your offerings to extend the kingdom. Return home with joy and quickly expect that you will carry double packages. Declare with me with faith that what you give to the Lord, these are seeds that are sown; You will not be lost.. and you will not be lost, what you give to the Lord will not decrease, but you will see it increase, and year after year you will find the Lord increasing your seed and multiplying your harvest so that you can be rich in everything and increase your generosity to the Lord. Amen

Be a partner with us in serving the lord Jesus through the Aramaic Broadcasting Network channels to spread the message of Christ to the whole world. Remembering the words of the Lord Jesus, that he said: It is more blessed to give than to receive. (Acts 20:35)

# THE FRUITS AND BLESSINGS OF THE LORD'S WORK THROUGH ABN AROUND THE WORLD

I TELL YOU THAT IN THE SAME WAY THERE WILL BE MORE REJOICING IN HEAVEN OVER ONE SINNER WHO REPENTS THAN OVER NINETY-NINE RIGHTEOUS PERSONS WHO DO NOT NEED TO REPENT. (LUKE 15:7).

## IRAN

**Kazim from Ahwaz:** I started watching the Persian program every Monday. I called brother Elijah because I wanted to get to know Christ and asked to pray with him that the Lord Jesus would be my saviour and Lord, then ABN kept calling me to teach me how to pray and read the Bible. I have been through difficult things in Iran, and I have not been able to face the past but now I feel peace and reassurance in my heart. I Thank the Lord Jesus Christ for all things, and now I love people like Christ loves me.

## AMERICA

**Joseph:** I converted to Islam as a first grader under the influence of Muslim friends and I didn't know the truth about this fake religion until I met the Lord Jesus and changed my life. My friends attacked me because of my faith and tried to prove to me that Christianity is wrong and fake, but your programs helped me and guided me to have a firm faith and also taught me to preach the Gospel to my Muslim friends.

## AFGANISTAN

**My name is Ahmed Azimi,** I was born into a family of five. I lost my three brothers and my mother; they were killed by Taliban Islamic extremists. In the past, I had followed the superstitions and teachings of the Islamic calling for hatred, murder and bloodshed. One day I made up my mind to leave the God of Islam, which advocated terrorism and blasphemy to find the true God who loves his servants and his creation, and God was found through your programs. Now, I am secured in Christ the Living God, and I hope to get the Holy Bible to know more about the Christian faith. Muslims themselves don't feel safe in this country, and Christians are always at risk of being killed. Please pray for my father and younger brother. Please pray that we can find a way out of this huge prison.

## INDIA

**My name is Asad:** My family and I were looking for love, faith, and compassion. We found them in your lives as you are the image of God who loved us and put himself for us. It was the happiest day of my life when I prayed with you and accepted the Lord Jesus as my saviour. I watch your programs constantly, to learn and to grow in my knowledge of the true God

## PAKISTAN

**Rahim:** Thank you for reaching out to me. Thank you for encouraging me in the midst of the difficult circumstances that I'm going through. My family rejected me because I left Islam. I knew through you, that God loves me and cares for me and wants me. It renewed in me the hope that God will not leave me alone, and that he takes care of me, and holds my future in his faithful hands

## IRAN

**Safinaz from Iran:** I am an old woman and I have never known the meaning of comfort in my life. The day after I gave my life to Christ, I started having peace in my heart. I was living in anxiety and fear over my daughters and my thinking was always disturbed, but today I am reassured in Christ, and I have full certainty and dependence on God who gives me Safety and comfort

## IRAQ

**Eva:** My words fail to give thanks to God for your programs especially the Aramic program. You are presenting the Bible in an easy and a simple way, and there is no other Christian channel here that delivers the word of God to us in our native language except yours. Now also my family and neighbours watch your programs! This channel is a blessing to us and to our nation, and I wish with all my heart for you to keep moving forward and expanding in sharing the Gospel with all thirsty people.

## IRAN

**I'm from Tehran,** and I don't want to mention my name. I saw in a dream Jesus Christ sitting on a Mountain, and I went to him. He extended his hand to me and gave me a wooden cross. He told me don't be afraid I'm with you.

## TURKEY

**I am an Iranian lady living in Turkey:** I believed in the Lord Jesus Christ after watching and following your programs for more than a year. I continue to pray and worship in secret. I'm going to Iran soon to visit my family, it's impossible to say that I am Christian there, if they find out, I could go to prison for many years. Pray for me because I want to be baptized while I am still in Turkey. Thank you and I hope that you will continue your message for the salvation of Souls

## IRAN

**siyavesh shahwaz:** A year ago I left Islam, the Quran and the sheikhs and started believing in Christ because he said, "I came for sinners". He accepted me in spite of my sins, dishonesty and ignorance. I am happy to walk with the Lord Jesus who strengthens me. Thank you for your encouragement and prayers for me to grow in faith and win the wars against the devil, who is trying to disarm me.

## AFGANISTAN

**I am a Sunni Muslim from Afghanistan,** but unfortunately, I figured out that Islam has nothing but hatred, murder and bloodshed. It made me think about my life and I was sure that I wasted many years in a fake religion. I decided to be a Christian, but I was afraid of Muslims because I live in Iran. Thank you for teaching me how to pray and read in the Bible.

## SYRIA

**Nora from Damascus:** I like to watch "the cry of oppressed peoples" with Dr. Suzette because I constantly need to pray. I thank God for this program because it offers encouraging and comforting spiritual themes that help me strengthen my faith. The Lord strengthens you and blesses your service

## KURDISTAN

**Shaheen:** I live in Iranian Kurdistan, thank you for your blessed channel, you are now our family. We have been used to watching your programmes. I need your prayers, especially prayers from the network manager Mr. Dr. Bassim. I want you to pray for my physical condition because I have been living in my mother's house for 5 years with my relatives. My wife left me with my kids two years ago and married someone else. I also ask for prayers for God to forgive my sins, cleanse me and accept me. God bless you, and God bless all workers and employees who are working hard to spread the word of God and share the truth.

## TURKEY

**My name is Serkan senjul from Istanbul:** I was born in a Muslim family; I was looking for God, so I started reading the Quran in depth. But it did not satisfy any of my needs and it did not answer any of my questions. Otherwise, I only found contradictions and things that the human mind does not accept, like the imprisonment of women in war. One evening I raised my eyes to heaven and said, O God the creator, I want to know you, I want to please you, please guide me, show me your light. A few days later I accidentally saw on the internet the program "Seek and you shall find" (in Turkish). The pastor was talking about the real Jesus, not the Jesus that Islam says that he's just a prophet who has done great miracles. Jesus in the Bible is God who came from heaven and took a human body to save sinners like me. Thank you for your prayers with me to follow the true God.

## IRAN

**My name is Masoud:** I am 48 years old and I'm from Iran. I followed the "Najat bridge" program in Persian and communicated with brother Karim for months, until I asked him to pray with me to accept Christ as the saviour of my life. Now I feel joy that my name is written in the book of life.

## AFGANISTAN

**My name is Alilai and I am 20 years old.** I secretly watch the programs that you broadcast in Persian-Afghani language (Dari), and they are very deep programs (especially the All the Bible program), in addition to ABN live programs. You set my eyes on the falsehood in which I live. I once prayed to the Lord in secret and asked for Christ to visit my life. Please pray for me because I live in fear of the society and the country that I live in.

## IRAN

**Hamid from Caspian Iran,** I am 46 years old, my life changed after I believed through your programs in Persian. I learnt from you that Christ has saved me and has forgiven my sins. Now I'm learning from all your programs, and they help me grow in faith and trust that God hears and responds to my prayers. I ask you to pray for the healing of my mother with Alzheimer's and brain atrophy

## PAKISTAN

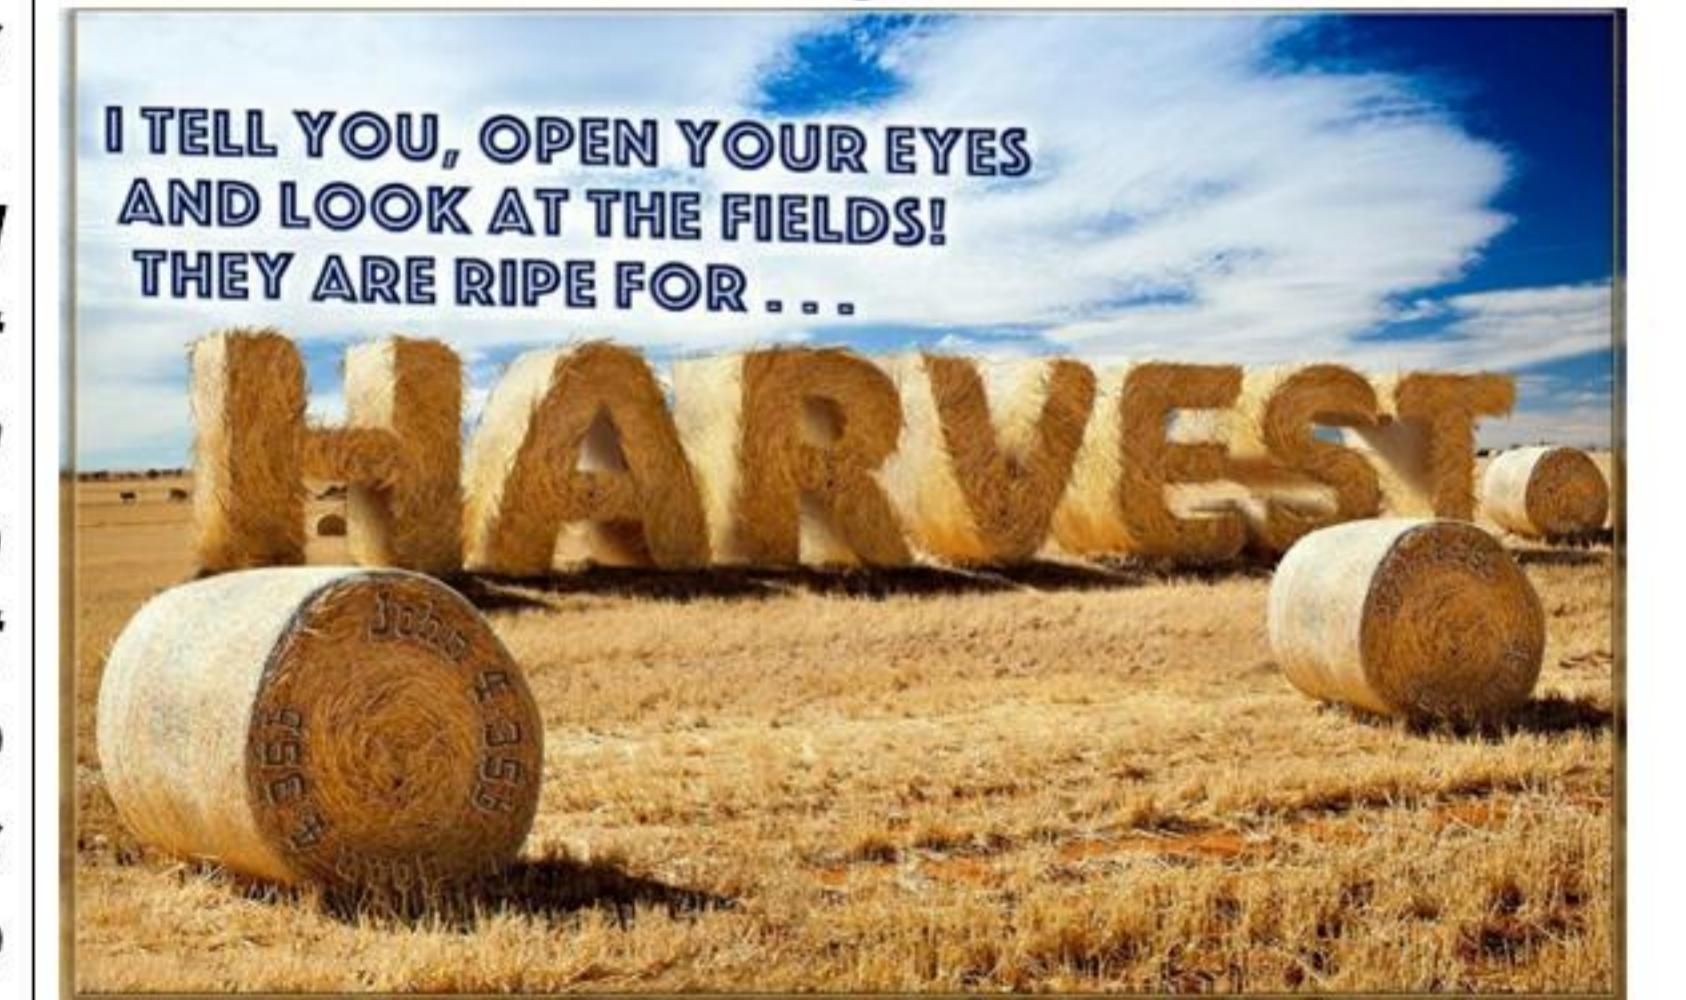

**Hassan:** Dear Dr. Basem, I thank you for always encouraging me even though we live in distant countries and do not speak the same language, but I feel close to you. Your messages to me encourage me and give me comfort in my loneliness. Your great love for people like me who feel helpless and lonely, gives me hope again. Your messages tell me that God has not forgotten me, God loves me, and he won't leave us in pain and weakness for long. You taught me that God will solve all these problems, and that we will witness God's love, care and blessings.

## AFGANISTAN

**My name is Rohan:** I've been watching your program in Persian for a few months. At first, I didn't believe you, but I started to listen seriously and deeply. My theory is that you do not curse any other religion and speak with respect and love. I started to compare you with Muslims. They always curse and pray for evil things to happen to everyone who is different from them. You Christians pray and ask for good things to others. I knew that the secret of Love in You is your God, which is why I asked to become a Christian like you.

## IRAN

**Ali:** I've been watching your channel for six months now. Since then, I have been feeling like I found something that I had been looking for, for many years. When I was young, I wanted to die to get rid of this wretched life, but since I started watching the channel, something has changed in me. Now, I have a new hope in my life to pursue my dreams. I wanted to say thank you for everything. We need you. It seems that this Jesus is different from the one we have read in our Islamic teachings about, and that he is able to give peace and hope to people. Please pray for Iran, we don't know what our future because of the Islamic government will be.
